I. RECITALS

- 1.1 MCG is a Seattle-based company that provides patient-care guidelines and software solutions to health care providers and health plans across the country. In this role, MCG operates as a business associate as defined by the Health Insurance Portability and Accountability Act ("HIPAA") and is required to comply with certain HIPAA regulations. *See* 45 CFR 160.103. In the course of its business, MCG received and stored certain personally identifiable information ("PII") and protected health information ("PHI") of the Plaintiffs and the putative Settlement Class Members.
- 1.2 On or about March 25, 2022, MCG determined that an unauthorized party previously had obtained PII and PHI matching data on MCG's systems pertaining to approximately 1,100,000 persons (the "Data Security Incident"). MCG investigated the Data Security Incident and acted to secure the company's systems. While the date the breach occurred is unknown, there is evidence to suggest the data may have been acquired by an unauthorized party in February 2020. MCG notified its customers (i.e., health care providers or health plans) that were affected by the incident and offered to send notice to their respective affected patients/members and regulators on its customers' behalf. MCG directly notified approximately 931,373 individuals that certain of their personal information may have been the subject of the Data Security Incident on behalf of its customers that instructed it to do so and where MCG believed the impacted health care provider or health plan customer to which the information matched is no longer in business, or the information was not matched to a specific health care provider or health plan customer. On June 10, 2022, MCG issued a press release regarding the Data Security Incident.

- 1.3 Beginning on June 16, 2022, Plaintiffs, individually and on behalf of a putative class, filed various actions against Defendant asserting claims concerning the Data Security Incident (the "Litigation"). The cases were consolidated in the United States District Court for the Western District of Washington (the "Court"). The Court appointed Jason T. Dennett of Tousley Brain Stephens PLLC, Gary M. Klinger of Milberg Coleman Bryson Phillips Grossman, PLLC, and Adam Polk of Girard Sharp LLP as Interim Co-Lead Class Counsel.
- 1.4 Plaintiffs filed their Consolidated Class Action Complaint on September 16, 2022. On October 31, 2022, MCG moved to dismiss the Consolidated Class Action Complaint in its entirety. On March 27, 2023, Chief Magistrate Judge David W. Christel entered a Report and Recommendation recommending that the District Court grant in part and deny in part Defendant's motion to dismiss and give Plaintiffs leave to replead certain causes of action. On June 22, 2023, the District Court (Senior U.S. District Judge Ricardo S. Martinez) adopted Chief Magistrate Judge Christel's Report and Recommendation in its entirety. Plaintiffs filed their First Amended Consolidated Class Action Complaint on July 14, 2023. MCG filed a motion to dismiss the First Amended Consolidated Class Action Complaint on September 14, 2023. The Court has not ruled on that motion.
- 1.5 On July 26, 2023, after Chief Magistrate Judge Christel issued his Report and Recommendation, after Plaintiffs filed their First Amended Consolidated Class Action Complaint, and after the exchange of informal discovery, the Settling Parties engaged in an all-day, arms-length virtual mediation before a well-known and respected mediator, Jill R. Sperber of Judicate West, in an attempt to resolve the Litigation. While the Settling Parties made some headway in the initial mediation session, the Settling Parties were unable to reach resolution at that time.

- 1.6 In the four and a half months following the mediation, the Settling Parties continued to engage in negotiations with the assistance of Ms. Sperber. Ultimately, after discussions, Ms. Sperber made a mediator's recommendation proposing a common fund settlement of \$8.8 million. Plaintiffs and Defendant accepted the proposal on December 8, 2023. Thereafter, the Settling Parties continued negotiations to formalize the terms of the settlement set forth herein in this Settlement Agreement.
- 1.7 Pursuant to the terms agreed to and set out below, this Settlement Agreement resolves all actions, proceedings, and claims asserted, or that could be asserted, against MCG and its customers arising out of or related to the Data Security Incident, as set forth in the release contained herein, by or on behalf of Plaintiffs or Members of the Settlement Class defined herein, but excluding the rights of Members of the putative Settlement Class who opt out from the Settlement Class pursuant to the terms and conditions herein.
- 1.8 Representative Plaintiffs believe the claims asserted in the Litigation, as set forth in the First Amended Consolidated Class Action Complaint, have merit. Representative Plaintiffs and Interim Co-Lead Class Counsel recognize and acknowledge, however, the expense and length of continued proceedings necessary to prosecute the Litigation against MCG through additional motion practice, trial, and potential appeals. They have also considered the uncertain outcome and risk of further litigation, particularly in an area of law that remains in a state of development, such as data privacy litigation, and thus brings with it a level of uncertainty, as well as the difficulties and delays inherent in such litigation. Interim Co-Lead Class Counsel are highly experienced in class action litigation, particularly in privacy litigation, and knowledgeable regarding the relevant claims, remedies, and defenses at issue generally in such litigation and in this Litigation. Interim Co-Lead Class Counsel have thoroughly examined the law and facts

relating to the matters at issue, the claims of Plaintiffs and the Settlement Class, and MCG's potential defenses, including conducting independent investigation and conferring with counsel for MCG on discovery related matters, as well as an assessment of the merits of expected arguments in a motion for class certification and motion for summary judgment. Based on this analysis and investigation, Representative Plaintiffs and Interim Co-Lead Class Counsel believe that resolution is an appropriate and reasonable means of ensuring that the Settlement Class is afforded important benefits as expediently as possible. They have determined that the settlement set forth in this Settlement Agreement is fair, reasonable, and adequate, and in the best interests of Plaintiffs and the Settlement Class.

1.9 MCG denies each and all of the claims and contentions alleged against it in the Litigation. MCG denies all wrongdoing or liability associated with the Data Security Incident alleged, or which could be alleged, in the Litigation. Nonetheless, MCG has concluded that further conduct of the Litigation would be protracted, burdensome and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in this Settlement Agreement.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, by and among Representative Plaintiffs, individually and on behalf of the Settlement Class, and Defendant that, subject to the approval of the Court, the Litigation and the Released Claims shall be finally and fully compromised, settled, and released, and the Litigation shall be dismissed with prejudice, except as to those Settlement Class Members who timely opt out of the Settlement Class, upon and subject to the terms and conditions of this Settlement Agreement, as follows:

alleged acts or omissions alleged in the Litigation, and in the interests of minimizing the costs inherent in any litigation, MCG will perform all the following:

- 4.1.1 Qualified Settlement Fund. MCG shall fund a non-reversionary Qualified Settlement Fund ("Settlement Fund") in the total amount of \$8,800,000.00. The Claims Administrator shall pay all costs of the Class Notice, Claims Administration, Attorneys' Fees and Expenses Award, Awards for Approved Claims, and Service . Awards from the Settlement Fund. If the Court does not grant final approval of the Settlement Agreement or the Settlement does not become Final pursuant to Paragraph 2.15, any remaining portion of the Settlement Fund shall be returned to MCG. The Settlement Fund represents the total extent of the Released Parties' monetary obligations under this Settlement Agreement. The Claims Administrator shall be responsible for all tax filings with respect to the Settlement Fund. The timing of payment by MCG into the Settlement Fund is also contingent upon the receipt by MCG of the necessary paperwork from Kroll Settlement Administration LLC for the Settlement Fund by the date that the Preliminary Approval Order or Final Approval Order is issued. If MCG does not receive this information by the date that the Preliminary Approval Order or Final Approval Order is issued, the Settlement Fund payment shall be made within 30 days after MCG receives this information.
- 4.1.2 *Non-Monetary Relief.* MCG shall undertake, implement, and maintain certain enhanced cybersecurity measures as set forth in Exhibit E to this Agreement.

- 4.2 *Monetary Settlement Benefits*. Settlement Class Members may make a Settlement Claim for reimbursement of documented ordinary losses, including reimbursement for extraordinary losses, and/or future credit monitoring as further described below. As an alternative to filing a Settlement Claim for reimbursement of ordinary losses or extraordinary losses, Settlement Class Members may submit a claim to receive an Alternative Cash Payment, as explained in ¶ 4.2.4.
 - Documented Ordinary Losses. Settlement Class Members may submit a claim for Ordinary Losses for documented out-of-pocket expenses fairly traceable to the Data Security Incident, up to \$1,500 per individual. "Ordinary Losses" may include: (i) unreimbursed losses relating to fraud or identity theft; (ii) out of pocket credit monitoring costs that were incurred on or after the Data Security Incident through the date of claim submission; and (iii) unreimbursed bank fees, long distance phone charges, postage, or gasoline for local travel. This list of reimbursable documented out-of-pocket expenses is not meant to be exhaustive, rather it is exemplary. Settlement Class Members may make claims for any documented unreimbursed out-of-pocket losses reasonably related to the Data Security Incident or to mitigating the effects of the Data Security Incident. The Claims Administrator shall have discretion to determine whether any claimed loss is reasonably related to the Data Security Incident. Settlement Class Members with Ordinary Losses must submit documentation supporting their claims. This can include receipts or other documentation not "self-prepared" by the claimant that documents the costs incurred. "Self-prepared" documents such as handwritten receipts are, by

26

themselves, insufficient to receive reimbursement, but can be considered to add clarity or support to other submitted documentation.

- 4.2.2 Documented Extraordinary Losses. Settlement Class Members are eligible for compensation for Extraordinary Losses resulting from the Data Security Incident, up to a maximum of \$10,000, upon submission of a valid Claim Form and supporting documentation, provided that: (i) the loss is an actual, documented, and unreimbursed monetary loss; (ii) the loss was more likely than not caused by the Data Security Incident; (iii) the loss occurred between February 25, 2020 and the Claims Deadline; (iv) the loss is not already covered by one or more of the normal reimbursement categories; and (v) the claimant made reasonable efforts to avoid the loss or seek reimbursement for the loss, including, but not limited to, exhaustion of all available credit monitoring insurance and identity theft insurance. "Extraordinary Losses" may include, without limitation, the unreimbursed costs, expenses, losses or charges incurred as a result of identity theft or identity fraud, falsified tax returns, or other possible misuse of Personal Information. To receive reimbursement for any documented Extraordinary Loss, Settlement Class Members must submit supporting documentation of the loss and a description of how the loss is fairly traceable to the Data Security Incident, if not readily apparent from the documentation.
- 4.2.3 *Credit Monitoring*. Settlement Class Members are eligible for enrollment in three years of Credit Monitoring Services, to include, at a minimum three bureau credit monitoring. Any Settlement Class Member may elect to submit

25

26

a claim for three years of Credit Monitoring Services. Settlement Class Members shall be entitled to seek Credit Monitoring as provided in this section in addition to either Ordinary and/or Extraordinary losses set forth in ¶4.2.1 and 4.2.2 or the Alternative Cash Payment set forth in ¶4.2.4.

- Alternative Cash Payment. As an alternative to filing a claim for reimbursement of Ordinary Losses or Extraordinary Losses, Settlement Class Members may submit a claim to receive a *pro rata* equal share payment from the net Settlement Fund after payment of costs of the settlement including the costs of carrying out the Notice Program and Claims Administration, any approved Attorneys' Fees and Expenses Award, any approved Service Awards to Representative Plaintiffs, and payments for claims for Ordinary Losses, Credit Monitoring Services, and Extraordinary Losses. Should a Settlement Class Member choose to select an Alternative Cash Payment, there is a possibility that they may receive no payment if the total approved claims for Ordinary Losses, Credit Monitoring, and Extraordinary Losses plus the costs of the Notice Program and Claims Administration, any Attorneys' Fees and Expenses Award and Service Awards exceed the total amount of the Settlement Fund. The Alternative Cash Payment may be claimed in addition to Credit Monitoring Services.
- 4.3 Settlement Class Members seeking an award under ¶ 4.2 of this Agreement must complete and submit a written Claim Form to the Claims Administrator, postmarked or submitted electronically on or before the Claims Deadline. The Claim Form must: (a) be signed by the Settlement Class Member with a statement that his or her claim is true and correct to the best of

2
 3
 4

his or her belief; and (b) provide appropriate documentation where required by the Claim Form. Failure to provide supporting documentation as set forth on the Claim Form or as requested by the Claims Administrator shall result in denial of a Settlement Claim.

- 4.4 If, after the Effective Date, the total dollar value of Approved Claims for Ordinary Losses, Credit Monitoring, and Extraordinary Losses exceeds the amount remaining in the Settlement Fund necessary to cover valid claims, the Attorneys' Fees and Expenses Award, Service Awards, and Class Notice and Claims Administration costs, the payment amount for Approved Claims shall be reduced *pro rata* among all Settlement Class Members who submitted Approved Claims for Ordinary Losses, Credit Monitoring, and Extraordinary Losses, and no Alternative Cash Payments will be made. These *pro rata* determinations shall be performed by the Claims Administrator.
- 4.5 If a Settlement Class Member files a claim for the Alternative Cash Payment in addition to a claim for Ordinary Losses or Extraordinary Losses, the claim will be processed as a claim for Ordinary Losses or Extraordinary Losses, and the Alternative Cash Payment claim will be denied as duplicative. A Settlement Class Member may receive an Alternative Cash Payment if they elect to sign up for Credit Monitoring. A Settlement Class Member who only selects Credit Monitoring on their Claim Form will automatically receive an Alternative Cash Payment.

V. PRELIMINARY SETTLEMENT APPROVAL AND FINAL APPROVAL

5.1 As soon as practicable after the execution of the Settlement Agreement, Settlement Class Counsel shall file a motion seeking entry of a Preliminary Approval Order ("Motion for Preliminary Approval"). A proposed Preliminary Approval Order shall be submitted with the Motion for Preliminary Approval and shall be substantially in the form set

forth in Exhibit D. The Motion for Preliminary Approval shall request that the Court, *inter alia*: 1 a) Stay all proceedings in the Litigation other than those related to approval of 2 3 the Settlement Agreement; 4 b) Preliminarily certify the Settlement Class for settlement purposes only; 5 c) Preliminarily approve the terms of the Settlement Agreement as fair, adequate, 6 and reasonable; 7 d) Appoint Representative Plaintiffs as the Settlement Class representatives for 8 settlement purposes only; 9 Appoint Settlement Class Counsel as counsel for the Settlement Class for 10 11 settlement purposes only; 12 Approve the Notice Program, as set forth in Section 6 herein, and set the dates 13 for the Claims Deadline; 14 g) Approve the form and contents of a long form notice ("Long Notice") to be 15 posted on the Settlement Website substantially similar to the one attached 16 hereto as **Exhibit B**, and a Summary Notice to be sent via First Class Mail to 17 Settlement Class Members ("Summary Notice"), substantially similar to the 18 19 one attached hereto as **Exhibit C**, which together shall include a fair summary 20 of the Settling Parties' respective litigation positions, the general terms of the 21 settlement set forth in this Settlement Agreement and Release, instructions for 22 how to object to or submit a Request for Exclusion from the settlement, the 23 process and instructions for filing a Claim Form, and the date, time and place 24 of the Final Approval Hearing; 25 26 h) Approve a Claim Form substantially similar to that attached hereto as Exhibit

A; 1 Appoint Kroll Settlement Administration LLC as the Claims Administrator; 2 3 Set deadlines for Objections, Requests for Exclusion, a motion for attorneys' <u>i</u>) 4 fees, and briefing in support of final approval; and 5 k) Schedule the Final Approval Hearing on a date at least 120 days from the date 6 of the Preliminary Approval Order. 7 5.2 Settlement Class Counsel and MCG shall request that the Court hold a Final 8 Approval Hearing after Class Notice is completed and at least 30 days after the Opt-Out Deadline 9 and Objection Deadline, and at least 120 days after the date of the Preliminary Approval Order. 10 11 5.3 Settlement Class Counsel and the Representative Plaintiffs shall move for final 12 approval on or before the deadline set by the Court. 13 5.4 The proposed Final Approval Order and Judgment shall be negotiated by the 14 Settling Parties and filed with the motion for final approval, and shall, among other things: 15 a) Determine the Settlement Agreement is fair, adequate, and reasonable; 16 b) Finally certify the Settlement Class for settlement purposes only; 17 Determine that the Notice Program satisfies Rule 23 and due process 18 19 requirements; 20 Dismiss all claims in the Litigation with prejudice; 21 e) Bar and enjoin any Settlement Class Members who did not timely opt out in 22 accordance with the requirements of this Settlement Agreement from asserting 23 any of the Released Claims; 24 Release and forever discharge MCG and the Released Parties from the 25 26 Released Claims, as provided for in this Settlement Agreement; and

g) Reserve the Court's continuing and exclusive jurisdiction over MCG and all Settlement Class Members (including all objectors) to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

VI. NOTICE PROGRAM

- 6.1 Within ten (10) days of the filing of the Motion for Preliminary Approval, MCG, through the Claims Administrator acting at MCG's direction, shall serve a letter and accompanying materials on the Attorney General of the United States and each state Attorney General or others, all as required by the Class Action Fairness Act, 28 U.S.C. § 1715(b) ("CAFA Notice"). MCG shall cause to be filed with the Court a declaration evidencing such service. The cost for the Claims Administrator preparing and sending CAFA Notice shall be paid from the Settlement Fund.
- 6.2 Within ten (10) business days of the entry of the Order granting preliminary approval of the settlement, MCG will provide the Claims Administrator with a list of Settlement Class Members which will include, to the extent available, the name and physical mailing address of each Settlement Class Member. The Claims Administrator shall cause notice to be disseminated to Settlement Class Members pursuant to the Preliminary Approval Order and the Notice Program as described below, and in compliance with all applicable laws, including, but not limited to, the Due Process clause of the United States Constitution and Federal Rule of Civil Procedure 23, and be effectuated pursuant to the provisions set forth below, the costs of which shall be paid from the Settlement Fund. The Claims Administrator must maintain the list of Settlement Class Members in strict confidence and may not share the list with anyone other than MCG.
 - 6.3 Class Notice shall be provided to the Settlement Class as follows:

6.3.1 On or before the Notice Deadline, the Claims Administrator shall send the Summary Notice on a postcard via First Class U.S. Mail, postage pre-paid, to Settlement Class Members (the "Notice Deadline"). Prior to sending Notice to the Settlement Class Members, the Claims Administrator will perform industry standard measures to confirm the current addresses of Settlement Class Members. For any Settlement Class Members for whom the Claims Administrator receives returned mail from the U.S. Postal Service indicating that the initial mailing was not delivered, as soon as administratively feasible after sending such mail, the Claims Administrator will perform searches for updated addresses and re-mail notice.

6.3.2 On or before the Notice Deadline, the Claims Administrator shall establish a dedicated settlement website that includes this Settlement Agreement, the Long Notice, the Claim Form approved by the Court, and other relevant case-related documents. Settlement Class Counsel shall propose the format and content of the Settlement Website for prior approval by Defendant's Counsel, which shall not be unreasonably withheld. The Settling Parties shall mutually select the URL for the Settlement Website. The Claims Administrator shall maintain and update the website throughout the Claims Period as needed. The Claims Administrator will also post on the Settlement Website copies of the motion for final approval and the motion for an Attorneys' Fees and Expenses Award and Service Awards. A toll-free number with interactive voice response and FAQs shall also be made available to address Settlement Class Members' inquiries. The settlement website shall not include any advertising and shall remain operational until at least thirty (30) days following the Effective Date.

6.4 The Notice Program shall be subject to approval by the Court as meeting the requirements of due process and Rule 23 of the Federal Rules of Civil Procedure.

- 6.5 The Long Notice, Summary Notice, and Claim Form approved by the Court may be adjusted by the Claims Administrator in consultation and agreement with the Settling Parties as may be reasonable and necessary, so long as it is not inconsistent with such approval and does not materially alter the language approved by the Court.
- 6.6 Prior to the Final Approval Hearing, Settlement Class Counsel shall cause to be filed with the Court an appropriate declaration from the Claims Administrator demonstrating compliance with the Court-approved Notice Program.

VII. OPT-OUT PROCEDURES

- 7.1 Each Settlement Class Member wishing to exclude themselves from the Settlement Class must individually sign and timely submit a written Request for Exclusion to the address designated by the Claims Administrator or online through the Settlement Website.
- 7.2 To be effective, a Request for Exclusion must be postmarked or submitted through the Settlement Website no later than 90 days after the Notice Deadline or such other date set by the Court in the Preliminary Approval Order. The Request for Exclusion must state: (i) the Settlement Class Member's name, address, and telephone number; (ii) the name and number of this case, *In re MCG Health Data Security Issue Litigation*, Case No. 2:22-cv-0849-RSM-DWC; (iii) a statement clearly indicating that the Settlement Class Member wishes to be excluded from the settlement; and (iv) the Settlement Class Member's personal and original signature or the original signature of a person authorized by law to act on the Settlement Class Member's behalf with respect to a claim or right such as those asserted in the Litigation, such as a trustee, guardian or person acting under a power of attorney.
- 7.3 Within 10 days after the Opt-Out Deadline, the Claims Administrator shall provide the Settling Parties with a complete and final list of all Opt-Outs who have timely and

validly excluded themselves from the Settlement Class and, upon request, copies of all completed Requests for Exclusions. Settlement Class Counsel may file these materials with the Court, with any PII other than names and cities and states of residence redacted, no later than 7 days prior to the Final Approval Hearing.

- 7.4 All persons who opt out of the Settlement Class shall not receive any benefits of or be bound by the terms of this Settlement Agreement. All persons falling within the definition of the Settlement Class who do not opt out shall be bound by the terms of this Settlement Agreement and the Final Approval Order entered thereon.
- 7.5 In the event that 750 or more Settlement Class Members elect to opt out of the Settlement Class, Defendant has the right to unilaterally terminate this Settlement Agreement and any settlement terms under the process identified in Paragraph 12.2. In this circumstance, Defendant shall be obligated to pay all settlement expenses already incurred, excluding any attorneys' fees, costs, and expenses of Settlement Class Counsel. Settlement Class Counsel agrees to work in good faith to effectuate this Settlement Agreement and will not solicit or encourage Settlement Class Members to submit Requests for Exclusion.

VIII. OBJECTION PROCEDURES

8.1 Each Settlement Class Member who does not file a valid and timely Request for Exclusion may file with the Court a notice of intent to object to the Settlement Agreement. The Long Notice shall instruct Settlement Class Members who wish to object to the Agreement to send their written objections to the Court and concurrently upon:

- 8.2 The Long Notice shall make clear that the Court can only approve or deny the Settlement Agreement and cannot change the terms. The Long Notice shall advise Settlement Class Members of the deadline for submission of any objections.
- 8.3 All such notices of an intent to object to the Settlement Agreement must be written and must include all of the following: (i) the objector's full name, address, telephone number, and e-mail address (if any); (ii) the name and number of this case, *In re MCG Health Data Security* Issue Litigation, Case No. 2:22-cv-0849-RSM-DWC; (iii) information identifying the objector as a Settlement Class Member, including proof that the objector is a member of the Settlement Class; (iv) a statement as to whether the objection applies only to the Settlement Class Member, to a specific subset of the Settlement Class, or to the entire class; (v) a clear and detailed written statement of the specific legal and factual bases for each and every objection, accompanied by any legal support for the objection the objector believes applicable; (vi) the identity of any counsel representing the objector; (vii) a statement whether the objector intends to appear at the Final Approval Hearing, either in person or through counsel, and, if through counsel, identifying that counsel; (viii) a list of all persons who will be called to testify at the Final Approval Hearing in support of the objections and any documents to be presented or considered; and (ix) the objector's signature and the signature of the objector's duly authorized attorney or other duly authorized representative (if any).

- 8.4 To be timely, written notice of an objection in the appropriate form must be filed with the Court or postmarked no later than the Objection Deadline.
- 8.5 Except upon a showing of good cause, any Settlement Class Member who fails to substantially comply with the requirements in this Section 8 for objecting shall waive and forfeit any and all rights he or she may have to appear separately and/or to object to the Settlement Agreement, and shall be bound by all the terms of the Settlement Agreement and by all proceedings, orders and judgments in the Litigation. The exclusive means for any challenge to the Settlement Agreement shall be through the provisions of this Section 8.

IX. CLAIMS ADMINISTRATION

- 9.1 The Claims Administrator shall administer and calculate the Settlement Claims submitted by Settlement Class Members. All Settlement Claims must be submitted on or before the Claims Deadline to be deemed timely. The determination by the Claims Administrator of the validity or invalidity of all Settlement Claims shall be binding. The Claims Administrator shall periodically provide Settlement Class Counsel and counsel for MCG with reports as to both settlement claims and distribution, and they shall have the right to obtain and review supporting documentation and challenge such reports if they believe them to be inaccurate or inadequate.
- 9.2 For each settlement claim submitted and received, the Claims Administrator, in its sole discretion (to be reasonably exercised), will determine whether: (1) the claimant is a Settlement Class Member; and (2) that the claimant has provided all information required to complete the Claim Form by the Claims Deadline, including but not limited to information required under Section 4. The Claims Administrator may, at any time, request from the claimant, in writing, such additional information as the Claims Administrator may reasonably require in order to adequately evaluate the settlement claim. All information provided to the Claims

Administrator will be deemed confidential by the Claims Administrator.

- 9.3 The Claims Administrator shall determine whether a claimant's Claim Form and supporting materials are sufficient to support a claim. If the Claims Administrator should receive an incomplete Claim Form or a Claim Form with insufficient documentation to determine whether the claimant is a Settlement Class Member, the Claims Administrator shall request additional information and give the claimant twenty-one (21) days to cure any defect(s) before rejecting a settlement claim. The Claims Administrator shall make requests for additional information within twenty-one (21) days after the Claims Filing Deadline. If a Settlement Class Member fails to correct all deficiencies within twenty-one (21) days from receiving a request for additional information, the Claims Administrator shall deny the claimant's settlement claim and the claimant will not be entitled to an Award.
- 9.4 After receiving additional information, the Claims Administrator shall have thirty (30) days to accept or reject each settlement claim. If, after review of the settlement claim and all documentation submitted by the claimant, the Claims Administrator determines that such a settlement claim is valid, then the settlement claim shall be paid within the time period provided in this Section. If the settlement claim remains invalid because the claimant does not provide the requested information needed to complete the Claim Form and evaluate the settlement claim, then the Claims Administrator may reject the settlement claim without any further action apart from providing a notice of rejection of the settlement claim.
- 9.5 No Person shall have any claim against the Claims Administrator, Defendant, the Released Parties, or their counsel, Settlement Class Counsel, and/or the Representative Plaintiffs based on distribution of claims benefits to Settlement Class Members or any alleged failure by Defendant to implement any Non-Monetary Relief provided for herein, or otherwise arising out

of the implementation of this Settlement Agreement.

- 9.6 The Claims Administrator shall agree to hold the Settlement Funds in an interest-bearing Qualified Settlement Fund account, and administer the Settlement Fund, subject to the continuing jurisdiction of the Court and from the earliest possible date, as a Qualified Settlement Fund as defined by Treasury Regulation § 1.46B-1, *et seq.*, and agree to any relation-back election required to treat the Settlement Fund as a Qualified Settlement Fund from the earliest date possible. The Claims Administrator shall prepare any required tax returns and pay any taxes owed by the Settlement Fund out of the Settlement Fund.
- 9.7 The Claims Administrator will send funds for Approved Claims and enroll all Settlement Class Members who elected to enroll in Credit Monitoring in the Credit Monitoring Service within the later of sixty (60) days after the Effective Date or thirty (30) days after all disputed claims have been resolved. No distributions will be made without authorization from the Settling Parties. Award checks shall be valid for a period of 180 days from issuance, and shall state, in words or substance, that the check must be cashed within 180 days, after which time it will become void. In the event a settlement check becomes void, the Settlement Class Member to whom that settlement check was made payable will forfeit the right to payment and will not be entitled to have the check reissued or to any further distribution from the Settlement Fund or to any further recourse against the Released Parties, and the Agreement and Release will in all other respects be fully enforceable against the Settlement Class Member. No later than 190 days from the issuance of the Award checks, the Claims Administrator shall take all steps necessary to stop payment on any Award checks that remain uncashed.
- 9.8 All Settlement Class Members who fail to timely submit a valid settlement claim hereunder within the time frames set forth herein, or such other period as may be ordered by the

Court or otherwise allowed, shall be forever barred from receiving an Award pursuant to this Agreement, but will in all other respects be subject to, and bound by, the provisions of this Agreement, the Releases contained herein and the Final Approval Order.

9.9 If there is any balance remaining in the Settlement Fund ninety (90) days after the Claims Administrator completes the process for stopping payment on any award checks or payments that remain uncashed or undeposited, the Claims Administrator, in consultation with Settlement Class Counsel and counsel for MCG, shall undertake reasonable efforts to make a supplemental distribution to Settlement Class Members. Thereafter, if residual funds remain in the Settlement Fund, any remaining funds will be submitted via *cy pres* distribution to a charitable organization, which shall be selected jointly by the Settling Parties and approved by the Court. There will be no *cy pres* distribution unless the Court finds that the Settling Parties in good faith exhausted reasonable efforts to distribute the settlement fund to Settlement Class Members.

X. RELEASES

10.1 Upon the Effective Date, each Settlement Class Member, including Representative Plaintiffs, whether or not they have received an Award, will be deemed by operation of this Settlement Agreement and by operation of the Final Approval Order to have forever fully, finally, completely, and unconditionally released, discharged, and acquitted MCG and the Released Parties from any and all of the Released Claims. Further, upon the Effective Date, and to the fullest extent permitted by law, each Settlement Class Member, including Representative Plaintiffs, shall, either directly, indirectly, representatively, as a member of or on behalf of the general public, or in any capacity, be permanently barred and enjoined from commencing, prosecuting, or participating in any recovery in any action in this or any other forum (other than the participation in the Agreement as provided herein) in which any of the

Released Claims are asserted.

10.2 Upon entry of the Final Approval Order, each Settlement Class Member, including Representative Plaintiffs, shall be barred from initiating, asserting, or prosecuting against MCG and any Released Parties any claims that are released by operation of the Settlement Agreement and the Final Approval Order.

XI. SETTLEMENT CLASS COUNSEL'S ATTORNEYS' FEES AND EXPENSES AWARD; REPRESENTATIVE PLAINTIFFS' SERVICE AWARDS

- 11.1 Settlement Class Counsel may file a motion seeking payment of reasonable attorneys' fees and their reasonable costs and expenses from the Settlement Fund not to exceed \$2.93 million. The entirety of the Attorneys' Fees and Expenses Award, as approved by the Court, shall be payable solely from the Settlement Fund. The Settling Parties did not negotiate the payment of attorneys' fees, costs, or expenses.
- 11.2 Settlement Class Counsel will also request from the Court Service Awards for the Representative Plaintiffs in the amount of \$2,500.00 each, to be paid solely from the Settlement Fund. MCG will not object to Representative Plaintiffs' request for Service Award payments, unless Representative Plaintiffs' request exceeds the terms outlined in this Agreement.
- 11.3 Within seven (7) days after the Effective Date, the Claims Administrator shall pay any Attorneys' Fees and Expenses Award and Service Awards from the Settlement Fund to an account designated by Settlement Class Counsel. Settlement Class Counsel shall recommend an allocation of such attorneys' fees and costs, and distributing to each participating firm an allocated share of such attorneys' fees and costs to that firm. MCG shall have no responsibility for distribution of attorneys' fees or costs among participating firms.

11.4 The Attorneys' Fees and Expenses Award and the Service Awards are intended to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement Agreement. No order of the Court or modification or reversal or appeal of any order of the Court concerning the amounts of the Attorneys' Fees and Expenses Award or the Service Awards hereunder shall affect whether the Judgment is Final or constitute grounds for cancellation or termination of this Settlement Agreement.

XII. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION

- 12.1 The Parties' willingness to settle this Litigation on a class-action basis and to agree to the accompanying certification of the Settlement Class for settlement purposes is dependent on achieving finality in this Litigation and the desire to avoid the expense of this and other litigation. Consequently, the Settling Parties each have the right to terminate this Settlement Agreement and declare it null and void, with no further obligations under this Settlement Agreement, unless all of the following conditions occur:
 - a) The Court has entered a Preliminary Approval Order without material change to the agreed-upon proposed order set forth in Exhibit D (and without modification of the Settlement Agreement); and
 - b) The Court enters a Final Approval Order (without modification of the Settlement Agreement);
 - c) The Effective Date has occurred; and
 - d) The number of Opt-Outs is fewer than the agreed upon threshold of the Settlement Class Members in Paragraph 7.5.

22

23

24

25

26

12.2 If all of the conditions in ¶ 12.1 are not fully satisfied or the Effective Date does not occur, this Settlement Agreement may be terminated by any Settling Party by serving on counsel for the opposing Settling Party and filing with the Court a written notice of termination within 14 calendar days' notice before becoming effective.

In the event that (i) the Settlement Agreement and Release, as agreed to by the Parties, is not approved by the Court without modification or (ii) the Settlement Agreement is terminated in accordance with the terms of ¶ 12.2: (a) the Settling Parties shall be restored to their respective positions in the Litigation that existed prior to December 8, 2023, and shall jointly request that all scheduled litigation deadlines be reasonably extended by the Court so as to avoid prejudice to any Settling Party or litigant, which extension shall be subject to the decision of the Court; and (b) the terms and provisions of the Settlement Agreement shall have no further force and effect with respect to the Settling Parties and shall not be used in the Litigation or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement, including certification of the Settlement Class for settlement purposes only, shall be treated as vacated, nunc pro tunc. Notwithstanding any statement in this Settlement Agreement to the contrary, no order of the Court or modification or reversal on appeal of any order reducing the amount of any requested Attorneys' Fees and Expenses Award to Settlement Class Counsel shall constitute grounds for cancellation or termination of the Settlement Agreement.

XIII. MISCELLANEOUS PROVISIONS

13.1 The Settling Parties and their counsel acknowledge that it is their intent to consummate this Settlement Agreement and agree to undertake their best efforts to effectuate and implement all terms and conditions of this Settlement Agreement, including taking all steps

and efforts contemplated by this Settlement Agreement, and any other steps and efforts which may become necessary by order of the Court or otherwise.

13.2 The Settling Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Litigation and with regard to the Settlement Class and the Released Parties. The Settlement Agreement compromises claims that are contested and shall not be deemed an admission by any Settling Party as to the merits of any claim or defense, or that any claims would be suitable for class treatment if this Litigation proceeded through both litigation and trial. The Settling Parties each agree that the settlement was negotiated in good faith by the Settling Parties and reflects a settlement that was reached voluntarily after consultation with competent legal counsel. The Settling Parties reserve their right to rebut, in a manner that such party determines to be appropriate, any contention made in any public forum that the Litigation was brought or defended in bad faith or without a reasonable basis.

13.3 Neither the Settlement Agreement nor any act performed or document executed pursuant to or in furtherance of the Settlement Agreement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity or lack thereof of any Released Claim or of any wrongdoing or liability of any of the Released Parties; or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Released Parties, in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. Any of the Released Parties may file the Settlement Agreement in any action that may be brought against them or any of them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or

counterclaim.

- 13.4 The Settlement Agreement may be amended or modified only by a written instrument signed by or on behalf of all Settling Parties or their respective successors-in-interest. Amendments and modifications may be made without additional notice to the Settlement Class Members unless such notice is required by the Court.
- Parties and supersedes all prior agreements or understandings between them. The terms of the Settlement Agreement shall be construed as if drafted jointly by all Settling Parties to this Settlement Agreement. The terms of the Settlement Agreement shall be binding upon each of the Settling Parties to this Settlement Agreement, their agents, attorneys, employees, successors and assigns, and upon all other Persons or entities claiming any interest in the subject matter hereof, including any Settlement Class Member.
- 13.6 The Settlement Agreement shall be considered to have been negotiated, executed and delivered, and to be wholly performed, in the State of Washington, and the rights and obligations of the parties to the Settlement Agreement shall be construed and enforced in accordance with, and governed by, the internal, substantive laws of the State of Washington without giving effect to that State's choice of law principles.
- 13.7 The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Settlement Agreement and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Settlement Agreement that cannot be resolved by negotiation and agreement by counsel for the Settling Parties. The Court shall retain jurisdiction with respect to the administration, consummation, and enforcement of the Settlement Agreement and shall retain jurisdiction for the purpose of enforcing all terms of the

Settlement Agreement. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Claims Administrator. As part of its agreement to render services in connection with this Settlement, the Claims Administrator shall consent to the jurisdiction of the Court for this purpose.

- 13.8 The individuals signing this Settlement Agreement on behalf of MCG represent that they are fully authorized by MCG to enter into, and to execute, this Settlement Agreement on its behalf. Settlement Class Counsel represent that they are fully authorized to conduct settlement negotiations with counsel for MCG on behalf of the Representative Plaintiffs, and to enter into, and to execute, this Settlement Agreement on behalf of the Settlement Class, subject to Court approval.
- 13.9 None of the Settling Parties to this Settlement Agreement shall be considered to be the primary drafter of this Settlement Agreement or any provision hereof for the purpose of any rule of interpretation or construction that might cause any provision to be construed against the drafter.
- 13.10 The Settling Parties agree that this Settlement Agreement, and the Final Order following from the Settlement Agreement, will not prejudice in any way the Settling Parties' right to raise any of the arguments that the Settling Parties made in this case in any future litigation.
- 13.11 In the event that any provision hereof becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable, or void, this Settlement Agreement shall continue in full force and effect without said provision to the extent the Parties do not exercise their right to terminate under Section 12.
 - 13.12 All notices or formal communications under this Settlement Agreement shall be

in writing and shall be given (i) by hand delivery; (ii) by registered or certified mail, return receipt 1 requested, postage pre-paid; or (iii) by overnight courier to counsel for the Settling Party to whom 2 3 notice is directed at the following addresses, and also send a copy by electronic mail: 4 For the Representative Plaintiffs and the Settlement Class: 5 Jason T. Documented Ordinary Out-of-Pocket Expenses

You can receive reimbursement for up to \$1,500.00 for documented unreimbursed out-of-pocket expenses fairly traceable to the Data Incident. You must attach documents to your Claim Form that show what happened and how much you lost or spent so that you can be repaid and provide a description of how the claimed loss is reasonably related to the Data Incident, if not readily apparent from the documentation. This may include receipts or other documentation. "Self-prepared" documentation such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but may be considered to add clarity or support to other submitted documentation.

EXHIBIT B – LONG FORM NOTICE

If your personal information was compromised as a result of a data security incident with MCG Health, LLC, you may be entitled to benefits from a settlement.

A court has authorized this Notice. This is not a solicitation from a lawyer.

- A settlement has been reached in a class action lawsuit against MCG Health, LLC ("Defendant" or "MCG") for a data security incident involving MCG. On or about March 25, 2022, MCG determined that an unauthorized party apparently accessed MCG's systems ("Data Incident") and previously obtained certain personally identifiable information and protected health information (collectively, "Personal Information"). While the date the Data Incident occurred is unknown, there is evidence to suggest the data may have been acquired by an unauthorized party in February 2020. The Personal Information acquired or accessed by the unauthorized party includes some or all of the following data elements: patient names, genders, telephone numbers, addresses, email addresses, dates of birth, Social Security numbers, and medical code information. MCG and certain of its customers (i.e., health care providers or health plans) notified certain individuals that their Personal Information may have been the subject of the Data Incident.
- You are a "Settlement Class Member" if your Personal Information was accessed or acquired during the Data Incident.
- If you are a Settlement Class Member, you may file a Claim Form to receive 1) reimbursement for Documented Ordinary Losses; 2) reimbursement for Documented Extraordinary Losses <u>OR</u> 3) an Alternative Cash Payment; and 4) Credit Monitoring:
 - o **Documented Ordinary Losses** Up to \$1,500 in reimbursement for documented out-of-pocket expenses fairly traceable to the Data Incident.
 - o **Documented Extraordinary Losses** Reimbursement for documented extraordinary losses resulting from the Data Incident, up to \$10,000.
 - Credit Monitoring Three years of three-bureau credit monitoring through Kroll in addition to Documented Ordinary Losses, Documented Extraordinary Losses or the Alternative Cash Payment.

<u>Please Note</u>: Claims for Documented Ordinary Losses will be limited to \$1,500 per individual. Claims for Documented Extraordinary Losses will be limited to \$10,000. All cash payments may be adjusted *pro rata* depending on the number of Class Members that participate in the Settlement.

o **Alternative Cash Payment** – A *pro rata* (a legal term meaning an equal share) payment from the net Settlement Fund, which is \$8,800,000 minus payment of costs of the Settlement including the costs of the Notice Program and Claims Administration, Attorneys' Fees and Expenses of up to \$2,930,000, Service Awards of up to \$2,500 for each to the Representative Plaintiffs, and payments for claims for Ordinary Losses and Extraordinary Losses. Note that if these costs of the Settlement, fees, awards and claims exceed the Settlement Fund, individuals selecting this option may not receive any payment.

This Notice may affect your rights. Please read it carefully.

These rights and options—and the deadlines to exercise them—are explained in this Notice.

BASIC INFORMATION

1. Why is this Notice being provided?

A federal Court authorized this Notice because you have the right to know about the proposed Settlement of a class action lawsuit and about your rights and options before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for the benefits, and how to get them.

Judge Ricardo S. Martinez of the District Court for the Western District of Washington is overseeing this class action lawsuit. The case is known as *In re MCG Health Data Security Issue Litigation*, Case No. 2:22-cv-849-RSM-DWC. The people who filed this lawsuit are called the "Plaintiffs" or the "Representative Plaintiffs," and the company sued is MCG Health, LLC ("MCG" or the "Defendant").

2. What is this lawsuit about?

MCG is a Seattle-based company that provides patient-care guidelines and software solutions to health care providers and health plans across the country. In the course of its business, MCG received patient information from its clients and stored certain personally identifiable information ("PII") and protected health information ("PHI") (collectively "Personal Information") of the Plaintiffs and the putative Class Members.

Plaintiffs and the putative Class Members allege that a data security incident occurred in approximately February 2020, where an unauthorized party accessed MCG's computer systems and obtained certain personally identifiable information and protected health information (the "Data Incident"). The Personal Information includes patient names, genders, telephone numbers, addresses, email addresses, dates of birth, Social Security numbers, and medical code information. MCG and certain of its customers (i.e., health care providers or health plans) notified certain individuals that their Personal Information may have been the subject of the Data Incident.

No court or other entity has determined that MCG committed any wrongdoing or violated any law, and MCG denies all the legal claims asserted in the lawsuit. By settling the lawsuit, MCG is not admitting any wrongdoing or liability.

3. Why is the lawsuit a class action?

In a class action, a representative plaintiff or plaintiffs sue(s) on behalf of all people who have similar legal claims. Together all these people are called a settlement class or settlement class members. One court resolves the issues for all settlement class members, except for those settlement class members who timely exclude themselves from the settlement class.

The proposed Representative Plaintiffs in this case are Diana Saiki, Kenneth Hensley, as legal guardian of R.H., Linda Crawford, Julie Mack, Linda Booth, Candace Daugherty, Leo Thorbecke, Cynthia Strecker, Michael Price, Blanca Garcia, Joanne Mullins, Marjorita Dean, Kelly Batt, Jay Taylor, Shelley Taylor, and Gaye Ictech.

4. Why is there a Settlement?

Plaintiffs and MCG do not agree about the legal claims made in this lawsuit. The lawsuit has not gone to trial, and the Court has not decided in favor of Plaintiffs or MCG. Instead, Plaintiffs and MCG have agreed to settle the lawsuit. Plaintiffs and the lawyers for the Settlement Class ("Settlement Class Counsel") believe the Settlement is best for all Settlement Class Members due to the risks and uncertainty associated with continuing the lawsuit.

5. How do I know if I am part of the Settlement?

Under the Settlement, the Court decided that the Class includes all United States residents whose personally identifiable information (PII) and/or protected health information (PHI) was accessed or acquired during the MCG Data Incident that MCG discovered on or about March 25, 2022.

6. Are there exceptions to being included in the Settlement?

Yes. Excluded from the Settlement Class are the Court and all members of the Court's staff, and persons who timely and validly request exclusion from the Settlement Class.

7. What if I am still not sure whether I am part of the Settlement?

THE SETTLEMENT BENEFITS—WHAT YOU GET IF YOU QUALIFY

8. What does the Settlement provide?

If you are a Settlement Class Member, and you file a valid and timely Claim Form by **Month DD**, **20YY**, you may be eligible for the following Settlement benefits:

Documented Ordinary Losses – Up to \$1,500 for documented unreimbursed out-of-pocket expenses fairly traceable to the Data Incident. Examples of Documented Ordinary Losses may include:

- Unreimbursed losses relating to fraud or identity theft;
- Out-of-pocket credit monitoring costs that were incurred on or after the Data Incident through the date of claim submission; and
- Unreimbursed bank fees, long distance phone charges, postage, or gasoline for local travel.

This list of reimbursable documented out-of-pocket expenses is not meant to be exhaustive. Settlement Class Members may make claims for any documented unreimbursed out-of-pocket losses reasonably related to the Data Incident or to dealing with the effects of the Data Incident. The Claims Administrator shall have discretion to determine whether any claimed loss is reasonably related to the Data Incident. Settlement Class Members with Ordinary Losses must submit documentation supporting their claims. This can include receipts or other documentation not "self- prepared" by the claimant that documents the costs incurred. "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but may be considered to add clarity or support to other submitted documentation.

Documented Extraordinary Losses – Compensation for extraordinary losses resulting from the Data Incident, up to \$10,000 by submitting a valid Claim Form and supporting documentation, provided that:

- The loss is an actual, documented, and unreimbursed monetary loss;
- The loss was more likely than not caused by the Data Incident;
- The loss occurred between February 25, 2020, and the Claims Deadline;
- The loss is not already covered by one or more of the normal reimbursement categories; and
- You made reasonable efforts to avoid the loss or seek reimbursement for the loss, including, but not limited to, exhaustion of all available credit monitoring insurance and identity theft insurance.

Extraordinary Losses may include, without limitation, the unreimbursed costs, expenses, losses or charges incurred as a result of identity theft or identity fraud, falsified tax returns, or other possible misuse of Personal Information. To receive reimbursement for any Documented Extraordinary Loss, you must submit supporting documentation of the loss and a description of how the loss is fairly traceable to the Data Incident, if not readily apparent from the documentation.

<u>Please Note</u>: Claims for Documented Ordinary Losses will be limited to \$1,500 combined. Claims for any Documented Extraordinary Losses will be limited to up to \$10,000. All cash payments may be adjusted *pro rata* depending on the number of Class Members that participate in the Settlement.

Alternative Cash Payment – As an alternative to filing a Claim Form for reimbursement of Ordinary Losses or Extraordinary Losses, you may submit a Claim Form to receive a *pro rata* (a legal term meaning an equal share) payment from the net Settlement Fund, which is \$8,800,000 minus payment of costs of the Settlement including the costs of the Notice Program and Claims Administration, any Attorneys' Fees and Expenses of up to \$2,930,000, any Service Awards of up to \$2,500 for each to the Representative Plaintiffs, and payments for claims for Ordinary Losses, Credit Monitoring, and Extraordinary Losses. Please note that if costs of the Settlement, fees and expenses, service awards and payments for claims exceed the Settlement Fund, you may receive no payment if you select this category.

Credit Monitoring – In addition to payment for any Ordinary Losses, Extraordinary Losses, or an Alternative Cash Payment, you may elect to receive three years of free three-bureau credit monitoring through Kroll.

9. What am I giving up to receive Settlement benefits or stay in the Settlement Class?

Unless you exclude yourself, you are choosing to remain in the Settlement Class. If the Settlement is approved and becomes final, the Court's orders will apply to you and legally bind you. You will not be able to sue, continue to sue, or be part of any other lawsuit against MCG or the Released Parties about the legal issues in this lawsuit that are released by this Settlement. The specific rights you are giving up are called "Released Claims."

10. What are the Released Claims?

The Settlement Agreement in Section 10 describes the Release, Released Claims, and the Released Parties in necessary legal terminology, so please read this section carefully. The Settlement Agreement is available at www.xxxxxxxxx.com or in the public court records on file in this lawsuit. For questions regarding the Release and what it means, you can also contact one of the lawyers listed in Question 14 for free, or you can talk to your own lawyer at your own expense.

11. How do I make a claim for Settlement benefits?

To receive Settlement benefits, you must file a valid Claim Form. Your Claim Form must be complete and submitted to the Claims Administrator, submitted online or mailed and **postmarked** on or before **Month Day, 20YY**. Claim Forms may be submitted online at www.xxxxxxxx.com or printed from the website and mailed to the Claims Administrator at the address on the form. THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

Yes, the Court has appointed Jason T. Dennett of Tousley Brain Stephens PLLC, Gary M. Klinger of Milberg Coleman Bryson Phillips Grossman, PLLC, and Adam Polk of Girard Sharp LLP as Settlement Class Counsel to represent you and the Settlement Class for the purposes of this Settlement. You may hire your own lawyer at your own cost and expense if you want someone other than Settlement Class Counsel to represent you in this lawsuit.

15. How will Settlement Class Counsel be paid?

Settlement Class Counsel will file a motion asking the Court for reasonable attorneys' fees and their reasonable costs and expenses from the Settlement Fund not to exceed \$2,930,000. Settlement Class Counsel will also ask the Court to approve Service Awards of \$2,500 from the Settlement Fund for each of the Representative Plaintiffs for participating in this lawsuit and for their efforts in achieving the Settlement. The Court may award less than the amounts requested by Settlement Class Counsel. Settlement Class Counsel's application for reasonable attorneys' fees and expenses, and the Service Awards will be made available on the Settlement Website at www.xxxxxxxxxx.com before the deadline for you to comment or object to the Settlement.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you are a Settlement Class Member and you want to keep any right you may have to sue or continue to sue the Defendant or Released Parties on your own based on the legal claims raised in this lawsuit or released by the Released Claims, then you must take steps to get out of the Settlement. This is called excluding yourself from – or "opting-out" of – the Settlement.

16. How do I get out of the Settlement?

You may request to be excluded from the Settlement Class in writing by a request **postmarked**, or submitted electronically via the Settlement Website, on or before **Month DD**, **20YY**. Your request must include the following:

- Your name, address, and telephone number;
- The name and number of this case, *In re MCG Health Data Security Issue Litigation*, Case No. 2:22-cv-0849-RSM-DWC;
- A statement that you wish to be excluded from the Settlement Class; and
- Your signature.

A request to be excluded that is incomplete, sent to an address other than designated below, or that is not electronically submitted or postmarked within the time specified, will be invalid and the person making the request will be considered a member of the Settlement Class and will be bound as a Settlement Class Member by the Settlement Agreement, if approved.

If sent by mail, your exclusion request must be **postmarked** and sent to the Claims Administrator at the following address by **Month Day, 20YY**:

Claims Administrator
PO Box XXXX
CITY STATE XXXXX-XXXX

If made electronically at the Settlement website, your request to be excluded must be made by midnight Pacific Time on Month, DD, 20YY.

17. If I exclude myself, can I still get anything from this Settlement?

No. If you exclude yourself, you are telling the Court you do not want to be part of the Settlement. You can only get benefits from the Settlement if you stay in the Settlement and submit a valid Claim Form.

18. If I do not exclude myself, can I sue the Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue MCG or Released Parties for the claims resolved by this Settlement. You must exclude yourself from this lawsuit to start or continue your own lawsuit or to be part of any other lawsuit against MCG or any of the Released Parties. If you have a pending lawsuit, speak to your lawyer in that case immediately.

OBJECT TO THE SETTLEMENT

19. How do I tell the Court that I do not like the Settlement?

If you are a Settlement Class Member, you can tell the Court you do not agree with all or any part of the Settlement or the requested attorneys' fees and expenses award or service awards. You can also give reasons why you think the Court should not approve the Settlement or the attorneys' fees and expenses award or service awards.

To object, you must file a timely written notice of your objection, so it is **filed** or **postmarked** by **Month Day, 20YY**. Such notice must state:

- Your full name, address, telephone number and email address (if any);
- The name and number of this case, *In re MCG Health Data Security Issue Litigation*, Case No. 2:22-cv-0849-RSM-DWC;
- Information identifying you as a Settlement Class Member, including proof that you are a member of the Settlement Class;
- A statement as to whether the objection applies only to you as a Settlement Class Member, to a specific subset of the Settlement Class, or to the entire class;
- A clear and detailed written statement of the specific legal and factual bases for each and every objection, accompanied by any legal support for the objection you believe is applicable;
- The identity of any lawyers representing you as an objector;
- A statement whether you intend to appear at the Final Approval Hearing, either in person or through your lawyer, and, if through your lawyer, identifying that lawyer;
- A list of all persons who will be called to testify at the Final Approval Hearing in support of the objections and any documents to be presented or considered; and
- Your signature and the signature of your duly authorized lawyer or other duly authorized representative (if any).

To be timely, written notice of an objection in the appropriate form must be **filed** or sent to the Clerk of the Court for the District Court for the Western District of Washington **postmarked** by **Month Day, 20YY,** with copies sent at the same time to Settlement Class Counsel and MCG. The addresses for each are as follows:

| THE COURT | SETTLEMENT CLASS COUNSEL | MCG |
|---|---|--|
| Office of the Clerk United States District Court for the Western District of Washington 700 Stewart Street, Suite 2310 Seattle, WA 98101 | Jason T. Dennett Tousley Brain Stephens PLLC 1200 Fifth Avenue, Suite 1700 Seattle, WA 98101 | Stephen L. Saxl Greenberg Traurig, LLP One Vanderbilt Avenue New York, NY 10017 |

20. What is the difference between objecting and asking to be excluded?

Objecting is simply telling the Court you do not like something about the Settlement or the requested attorneys' fees and expenses award. You can object only if you stay in the Settlement Class (you do not exclude yourself). Requesting exclusion is telling the Court you do not want to be part of the Settlement Class or the Settlement. If you exclude yourself, you cannot object to the Settlement.

THE FINAL APPROVAL HEARING

21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing on **Month Day, 20YY, at X:XX a.m./p.m.** before Judge Ricardo S. Martinez, United States District Court for the Western District of Washington, 700 Stewart Street, Seattle, Washington, 98101, in Courtroom 13206.

At the Final Approval Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and decide whether to approve: the Settlement, Settlement Class Counsel's application for reasonable attorneys' fees and their reasonable costs and expenses, and Service Awards. If there are objections, the Court will consider them. The Court will also listen to people who have asked to speak at the hearing. The Court can only approve or deny the Settlement Agreement. It cannot change the terms of the Settlement.

<u>Note</u>: The date and time of the Final Approval Hearing are subject to change. The Court may also decide to hold the hearing via videoconference or by phone. Any change will be posted at www.xxxxxxxxxxx.com.

22. Do I have to attend the Final Approval Hearing?

No. Settlement Class Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you file an objection, you do not have to attend the hearing to speak about it. As long as you file or mail your written objection on time, the Court will consider it.

23. May I speak at the Final Approval Hearing?

Yes, as long as you do not exclude yourself, you can (but do not have to) participate and speak for yourself at the Final Approval Hearing. This is called making an appearance. You also can have your own lawyer speak for you, but you will have to hire and pay for your own lawyer. If you choose to make an appearance, you must follow all of the procedures for objecting to the Settlement listed in Section 19 above and specifically include a statement whether you and your counsel will appear at the Final Approval Hearing.

IF YOU DO NOTHING

24. What happens if I do nothing at all?

If you are a Settlement Class Member and you do nothing, you will not receive any Settlement benefits. You will give up rights explained in the "Excluding Yourself from the Settlement" section of this Notice, including your right to start or continue a lawsuit, or be part of any other lawsuit against MCG or any of the Released Parties about the legal issues in this lawsuit that are released by the Settlement Agreement.

- 2. <u>Jurisdiction.</u> The Court has jurisdiction over the Parties, the subject matter of the dispute, and all Settlement Class Members.
- 3. Preliminary Class Findings. The Court preliminarily finds, for the purposes of settlement only, that this action meets all prerequisites of Rule 23 of the Federal Rules of Civil Procedure. The Court determines that for settlement purposes, the proposed Settlement Class meets all the requirements of Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure, namely that the class is so numerous that joinder of all members is impractical; there are common issues of law and fact; the claims of the Plaintiffs are typical of absent class members; Plaintiffs will fairly and adequately protect the interests of the class, and have no interests antagonistic to or in conflict with the class, and have retained Class Counsel who are experienced and competent counsel to prosecute this matter; common issues predominate over any individual issues; and a class action is the superior means of adjudicating the controversy.

The Court finds the proposed Settlement is fair, reasonable, and adequate, in accordance with Rule 23(e) of the Federal Rules of Civil Procedure, pending a final hearing on the Settlement as provided herein. The Court further finds that the Settlement was negotiated at arm's length by informed and experienced counsel, who were overseen by an experienced and impartial mediator. The relief provided to the Settlement Class under the Settlement is adequate. There would be

substantial costs, risks and delay associated with proceeding to trial and potential appeal. The method proposed for distributing relief to the Settlement Class and processing claims is adequate and effective. Finally, the Court finds that the proposed Settlement treats Settlement Class Members equitably relative to each other.

The Settlement meets the criteria for approval, and warrants issuance of notice to the Settlement Class. Accordingly, the Court preliminarily approves the terms of the Settlement Agreement.

4. <u>Preliminary Certification of Settlement Class.</u> The Court hereby certifies, for settlement purposes only, the following Settlement Class:

All United States residents whose personally identifiable information (PII) and/or protected health information (PHI) was accessed or acquired during the MCG data security incident that MCG discovered on or about March 25, 2022.

Excluded from the Settlement Class are the Court and all members of the Court's staff, and persons who timely and validly request exclusion from the Settlement Class.

- 5. <u>Appointment of Class Representatives.</u> Plaintiffs ("Named Plaintiffs") are designated and appointed as the Settlement Class Representatives pursuant to Rule 23(a) of the Federal Rules of Civil Procedure. The Court preliminarily finds, for settlement purposes only, that Named Plaintiffs will fairly and adequately represent the interests of the Class in enforcing their rights in the Action; that Named Plaintiffs are similarly situated to absent Settlement Class Members; that Named Plaintiffs have Article III standing to pursue their claims; and that Named Plaintiffs are therefore typical of the Class and will be adequate class representatives.
- 6. <u>Appointment of Class Counsel.</u> For purposes of the Settlement, the Court appoints Jason T. Dennett of Tousley Brain Stephens PLLC, Gary M. Klinger of Milberg Coleman Bryson

Phillips Grossman, PLLC, and Adam Polk of Girard Sharp LLP as Class Counsel pursuant to Fed. R. Civ. P. 23(g) to act on behalf of the Settlement Class Representatives and the Settlement Class with respect to the Settlement. The Court finds that these lawyers are experienced and will adequately protect the interests of the Settlement Class.

- 7. <u>Notice Provider and Settlement Administrator</u>. The Court appoints Kroll Settlement Administration LLC as Settlement Administrator to administer the notice procedure and the processing of claims, under the supervision of Class Counsel and oversight of this Court.
- 8. Notice Plan. The Notice Plan set forth in the Settlement Agreement, and the form and content of the notice to class members as set forth in Exhibits A-C thereto, satisfy the requirements of Federal Rule of Civil Procedure 23 and are thus approved. The Court finds that the form, content, and method of giving notice to the Settlement Class as described in the Notice Plan submitted with the Motion for Preliminary Approval: (a) constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Action, the terms of the proposed Settlement, and their rights under the proposed Settlement; (c) are reasonable and constitute due, adequate, and sufficient notice to those persons entitled to receive notice; and (d) satisfy the requirements of Federal Rule of Civil Procedure 23, the constitutional requirement of due process, and any other legal requirements. The Court further finds that the notices are written in plain language, use simple terminology, and are designed to be readily understandable by Settlement Class Members.

Non-material modifications to the notices may be made without further order of the Court. The Settlement Administrator is directed to carry out the Notice Plan in conformance with

the Settlement Agreement and to perform all other tasks that the Settlement Agreement requires.

Prior to the Final Approval Hearing, Class Counsel shall cause to be filed with the Court an appropriate declaration with respect to complying with the provisions of the Notice Plan.

- 9. <u>Notice Date</u>. The Court directs that the Settlement Administrator cause a copy of the Notice to be mailed to all Potential Settlement Class Members in the manner outlined in the Settlement Agreement. The mailing is to be made by first class United States mail within thirty (30) calendar days following the entry of the Preliminary Approval Order (the "Notice Date"). The Settlement Website shall include, and make available for download, copies of the Settlement Agreement and Long Form Notice.
- 10. <u>Funds Held by Settlement Administrator</u>. All funds held by the Settlement Administrator shall be deemed and considered to be *in custodia legis* of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds are distributed pursuant to the Settlement or further order of the Court.
- 11. <u>Deadline to Submit Claim Forms</u>. Settlement Class Members will have until 120 calendar days from the Notice Date to submit their claim forms ("Claims Deadline"), which is adequate and sufficient time.
- 12. Exclusion from the Settlement Class. Any Settlement Class Member that wishes to be excluded from the Settlement Class must mail a Request for Exclusion to the Settlement Administrator at the addresses provided in the Notice, postmarked no later than the Deadline to Opt-Out, as specified on the Notice, and sent via first class postage pre-paid U.S. mail, or submit a Request for Exclusion through the Settlement Website no later than the Deadline to Opt-Out. The Request for Exclusion must: a) state the Settlement Class Member's full name, address, and

telephone number; (b) state the name and number of this case, *In re MCG Health Data Security Issue Litigation*, Case No. 2:22-cv-0849-RSM-DWC; (c) contain the Settlement Class Member's personal and original signature or the original signature of a person authorized by law to act on the Settlement Class Member's behalf with respect to a claim or right such as those asserted in the Litigation, such as a trustee, guardian or person acting under a power of attorney; and (d) state unequivocally the Settlement Class Member's intent to be excluded from the settlement. All Requests for Exclusion must be submitted individually in connection with a Settlement Class Member, *i.e.*, one request is required for every Settlement Class Member seeking exclusion.

Any Settlement Class Member who does not timely and validly exclude themselves from the Settlement shall be bound by the terms of the Settlement. If final judgment is entered, any Settlement Class Member who has not submitted a timely, valid written notice of exclusion from the Settlement Class shall be bound by all subsequent proceedings, orders, and judgments in this matter, including but not limited to the release set forth in the Settlement Agreement and incorporated in the Judgment.

13. <u>Objections and Appearances.</u> Any Settlement Class Member may enter an appearance in the Action, at his or her own expense, individually or through counsel of his or her own choice. If a Settlement Class Member does not enter an appearance, they will be represented by Class Counsel.

Any Settlement Class Member who wishes to object to the Settlement, the Settlement benefits, Service Awards, and/or the Attorneys' Fees and Expenses, or to appear at the Final Approval Hearing and show cause, if any, why the Settlement should not be approved as fair, reasonable, and adequate to the Settlement Class, why a Final Approval Order and Judgment

26

should not be entered thereon, why the Settlement benefits should not be approved, or why the Service Awards and/or the Attorneys' Fees and Expenses should not be granted, may do so, but must proceed as set forth in this paragraph. No Settlement Class Member will be heard on such matters unless they have filed in this Action the objection, together with any briefs, papers, statements, or other materials the Settlement Class Member wishes the Court to consider, within ninety (90) calendar days following the Notice Date. Any objection must include: i) the objector's full name, address, telephone number, and e-mail address (if any); (ii) the name and number of this case, In re MCG Health Data Security Issue Litigation, Case No. 2:22-cv-0849-RSM-DWC; (iii) information identifying the objector as a Settlement Class Member, including proof that the objector is a member of the Settlement Class; (iv) a statement as to whether the objection applies only to the Settlement Class Member, to a specific subset of the Settlement Class, or to the entire class; (v) a clear and detailed written statement of the specific legal and factual bases for each and every objection, accompanied by any legal support for the objection the objector believes applicable; (vi) the identity of any counsel representing the objector; (vii) a statement whether the objector intends to appear at the Final Approval Hearing, either in person or through counsel, and, if through counsel, identifying that counsel; (viii) a list of all persons who will be called to testify at the Final Approval Hearing in support of the objections and any documents to be presented or considered; and (ix) the objector's signature and the signature of the objector's duly authorized attorney or other duly authorized representative (if any). In addition to the foregoing requirements, if an objecting Settlement Class Member intends to speak at the Final Approval Hearing (whether pro se or through an attorney), the written objection must include a detailed description of any evidence the objecting Settlement Class Member may offer at the Final

Approval Hearing, as well as copies of any exhibits the objecting Settlement Class Member may introduce at the Final Approval Hearing. Any Settlement Class Member who fails to object to the Settlement in the manner described in the Settlement Agreement and in the notice provided pursuant to the Notice Plan shall be deemed to have waived any such objection, shall not be permitted to object to any terms or approval of the Settlement at the Final Approval Hearing, and shall be precluded from seeking any review of the Settlement or the terms of the Settlement Agreement by appeal or any other means.

With leave of Court for good cause shown, the Parties may take discovery of an objector or an objector's counsel. Any Settlement Class Member that fails to comply with the provisions in this Order will waive and forfeit any and all rights it may have to object, and shall be bound by all the terms of the Settlement, this Order, and by all proceedings, orders, and judgments, including, but not limited to, the releases in the Settlement, if finally approved. Any Potential Settlement Class Member who both objects to the Settlement and submits a Request for Exclusion will be deemed to have opted-out and the objection shall be deemed null and void.

14. <u>Final Approval Hearing</u>. A hearing will be held by this Court in the Courtroom of The Honorable Ricardo S. Martinez, United States District Court for the Western District of Washington, United States Courthouse, 700 Stewart Street, Suite 13206, Seattle, WA 98101-9906 at ______, m. on ______, 2024 ("Final Approval Hearing"), to determine: (a) whether the Settlement should be approved as fair, reasonable, and adequate to the Class; (b) whether the Final Approval Order should be entered; (c) whether the Settlement Agreement should be approved as fair, reasonable, and adequate to the Settlement Class; (d) whether to approve the application for service awards for the Named Plaintiffs ("Service").
